The Australian & New Zealand Society for Geriatric Medicine Annual Scientific Meeting 2018

Cutting Edge: Optimising the Journey for Older Surgical Patients

INTERNATIONAL CONVENTION CENTRE SYDNEY
WEDNESDAY, 27 JUNE 2018 - FRIDAY, 29 JUNE 2018

The Client

This Annual Scientific Meeting (ASM) was hosted by Australian and New Zealand Society of Geriatric Medicine (ANZSGM). The Australian & New Zealand Society for Geriatric Medicine is a society of medical practitioners engaged in the practice of Geriatric Medicine or related disciplines.

The Australian and New Zealand Society for Geriatric Medicine is a Specialty Society representing medical practitioners who care for older people. They have over 1,200 members, including consultant physicians, psychogeriatricians, academics, and more than 220 trainees in Geriatric Medicine.

Conference Program

The three day conference consisted of plenary sessions, concurrent sessions, breakfast sessions and poster presentations. The last day kicked off with plenary sessions with the invited speakers, followed by panel discussion in the second half of the last day to close the conference.

The 2018 program included:

- 3 day program
- Welcome Reception
- Morning and Afternoon Tea
- 6 Breakfast Sessions
- Gala Dinner
- Networking Lunch
- 8 Plenary Sessions
- 2 Lunchtime symposia

The Role of International Conferences and Events Australia

ICE Australia was involved in all elements of the conference including venue selection and contracting. ICE Australia was also responsible for sourcing supplier quotes and managed the conference budget, with an updated copy presented to the client on a monthly basis.

Monthly meetings were attended both by the Conference Standing Committee and ICE Australia members with ICE Australia providing progress reports on the different elements of the conference planning process.

Key Achievements

- This was the largest ever attendance at an ANZSGM ASM, with over 700 delegates attending the Sydney meeting across the three days.
- 95.89% delegates would recommend the conference to a friend/colleague
- The 2018 program was expanded to accommodate an additional concurrent stream, allowing a greater number of abstract submissions to be accepted as part of the conference program.
- 75% of delegates ranked the onsite administration as good or excellent.
- The level of service received during the partnership sales process was rated as 'Excellent' by 100% of partners who completed the survey.
- 2 partners completed and returned pre-commitment forms onsite, confirming their involvement for the 2019 ASM.

Testimonials

ANZSGM scientific meeting gave me insight into "where I am as an AT and where I want to be as a Geriatrician".

The ANZSGM shows and explores the way to cope with the increasing proportion of ageing Aussies and Kiwis. Great stuff.

Found the conference inspirational

Relevant, inspirational timely presentations

Sensational stimulation at the Darling Harbour Geri-expo.

Supportive environment for ATs to be exposed to scientific research and foster a research environment as part of the training. Inspiring

Supportive environment for ATs to be exposed to scientific research and foster a research environment as part of the training

Very applicable to all clinicians caring for the elderly. Highly recommended for non-geriatricians as well.
